

Be-Line drop-down support rail, L. 650mm, anthracite

Ref. 511960C

Powder-coated, metallised anthracite

2024 UK public price excluding VAT: £334.30

DESCRIPTION

Be-Line drop-down support rail, L. 650mm, anthracite - Ref. 511960C

Be-Line drop-down support rail for people with reduced mobility. In the lowered position use as a grab bar, as a support for standing and for assisting movement, for WCs or showers. Allows side access in the raised position. Removable: easy to remove with anti-theft locking system. Reduces the number of grab bars in a facility, allowing installation only when required. Example: hotels or hospitals providing short-term accommodation for disabled people. Drop-down rail with slowed down descent. Retained in upright position. Aluminium tube. Rounded profile Ø 42mm with ergonomic flat front face that prevents rotation for an optimal grip. Metallised anthracite powder-coated aluminium finish provides a good visual contrast with light-coloured walls. Uniform surface for easy maintenance and hygiene. Concealed fixings, secured to wall by a 304 stainless steel plate, 5mm thick. Supplied with stainless steel screws Ø 8 x 70mm for concrete walls. Dimensions: 650 x 210 x 120mm. Tested to over 200kg. Maximum recommended user weight: 135kg. Drop-down rail with 30-year warranty. CE marked.

TECHNICAL CHARACTERISTICS
