

Soap dispenser specifically for showers

Ref. 510579

For liquid soap

2025 UK public price excluding VAT: £106.49

DESCRIPTION

Soap dispenser specifically for showers - Ref. 510579

Soap dispenser for showers. Specifically designed for showers: 100% waterproof, removes the risk of diluting the soap with water from the shower, maintaining the soap quality. Push-button with soft-touch operation suitable for all users: children, people with reduced mobility etc. Ergonomic push-button: large push-button, easy to press with wet hands or with an elbow. Corrosion-resistant, waterproof, anodised aluminium cover. Plastic tank: removes the risk of the aluminium deteriorating due to contact with the soap. Tank with large opening: easy to refill from large containers. No-waste, non-drip (waterproof) pump dispenser. Anti-blocking: single dose per press, even if the button is pressed for prolonged periods. Window for monitoring soap level. Vandal-resistant model, lid opening is concealed. Concealed fixings. Clean lines are easy to clean and maintain, and improve hygiene. Sleek design associated with DELABIE's range of shower panels. Capacity: 1 litre. Dimensions: 64 x 140 x 284mm. For vegetable-based liquid soap with a maximum viscosity of 3,000 mPa.s. Wall-mounted soap dispenser specifically designed for showers with a 30-year warranty.

ADVANTAGES

-  100% watertight, specifically for showers
-  Ergonomic: soft-touch operation
-  Vandal-resistant: opening is concealed
-  Easy to clean; sleek lines
